INTERNATIONAL STUDENT GUIDE

Successful arrival in France

> Technology and Innovation
Dear students,

I am very pleased to welcome you at ENISE, the National Engineering School of Saint-Etienne.

This handbook aims at helping you with your stay. It contains most of the information and tips that you need, ranging from academic aspects to manners. However, if you have more questions, do not hesitate to contact the international relations office.

The ENISE is a French “Grande Ecole”. It aims at passing on the necessary knowledge and expertise for students to become engineers in the fields of mechanical, civil or sensory engineering. It also helps with personal development by giving you the opportunity to take part to a lot of clubs and associations.

You will probably take the opportunity of this academic period to visit Saint-Etienne and its surroundings, to travel in France and in Europe, and to talk with lots of people who do not share the same culture as you. This will also contribute to your personal development.

Once again, I hope that you will have a very good time at ENISE.

François-Marie LARROUTUROU

Healthcare

The French government requires all students, both French and foreign ones, to have health insurance. Applying for the French Social Security is compulsory and free for all non-EU exchange students. It covers an average 70% of fees related to healthcare. Private French insurers will provide you with complementary insurance which will enable you to benefit from 100% coverage.

> If you are a citizen from a European country (EU or EEA): Before your arrival in France, ask for a European health insurance card (EHIC (CEAM in French)) to your social welfare centre. Its validity must cover the time of your studies in France. You will then be exempted from joining the student social security system in France.

> If you come from Quebec: Before you leave, make sure to print the valid SE 401-Q-106 for the duration of your studies in France. You will then be exempted from joining the student social security system in France.

> For all the others:

Because applying for the French Social Security System might take a certain time, all non-EU students must have their own health insurance policy until at least 30 September including:

- Healthcare;
- Emergency evacuation / repatriation.

You can apply for Social Security after you have paid the Tax for Studentship and Campus (CVEC) to the CROUS (regional student support office) and after you have enrolled at the ENISE. The International Relations Office will provide you with further details at your arrival in Saint-Etienne.
Your health insurance plan may differ depending on the country of your home university.

**Case 1:** You are a student from an EU country.  
You are exempt from applying for Social Security provided you have a European Health Insurance Card (EHIC) that is valid for the time of your stay.  
You will then be entitled to receive medical treatment in another member state for free or at a reduced cost, if that treatment becomes necessary during your stay, or if you have a chronic pre-existing condition which requires care.

**Case 2:** You are a student from a non-EU country.  
You have no EHIC. You are coming to France for the first time and your courses start in September 2019.  
You must register on the website: [https://etudiant-etranger.ameli.fr/#/](https://etudiant-etranger.ameli.fr/#/) (also available in English)  
If you are not yet enrolled at ENISE, you cannot register on this website. You may nevertheless already check your circumstances and prepare the documents you will have to upload.

**Cost of a doctor visit:** starting from 25€ and to pay immediately (by cheque or in cash).  
**Contact the nurse for the nearest doctor:** Carole PHAN  
carole.phan@enise.fr

**Monday:** 8:15 A.M./12 – 12:45/4:30 P.M.  
**Tuesday:** 8:15 A.M./12 – 12:45/4:30 P.M.  
**Wednesday:** 8:15 A.M./12:30 – 1:15/4:30 P.M.  
**Thursday:** 8:15 A.M./12:30 – 1:15/5 P.M.  
**Friday:** 8:15 A.M./12:30 – 1:15/4 P.M.

You will be summoned for a mandatory medical examination.  
> **Medical centre:** Hôpital Nord (without appointment) or Bellevue (with an appointment, to book one: 04.77.33.30.30)
Insurances

> Civil liability insurance:
*Required to register at ENISE.*
Liability insurance guarantees compensation to others if you hurt someone. It absolutely must mention that school and extracurricular activities are covered.

- At the bank (often included in your contract)

> House insurance:
*To give to your student accommodation upon your arrival*
If you already have an insurance policy covering these risks in your country, you must ensure that you can benefit from it during your stay in France. If that is the case, ask your insurer for a certificate translated in French which mentions the guarantees and your home address in France. Otherwise you can apply for house insurance in France.
Price: about 12€/month

- At SMERRA or LMDE or at the bank

> Mutual health insurance:
*Highly recommended*
Mutual health insurance aims at taking over some or all of the medical expenses that are not covered by your compulsory health insurance.
Price: between 10€ and 32€/month (see with international@enise.fr)

- At SMERRA or LMDE
Bank

To open a bank account:
- Passport or ID Card
- Student card or school attendance certificate
- Proof of address

Residence permit

> When you arrive:
Present yourself upon your arrival at the office of Irina MOVCHAN, who will be your point of contact from the International Relations of ENISE (irina.movtchan@enise.fr).

> NON-EU STUDENTS. ONLINE VALIDATION OF THE VLS-TS LONG STAY VISA*

* If you have a 3-month VCS short stay visa, you do not need to complete this procedure.

As soon as you arrive in France, you must validate your VLS-TS long stay visa. The procedure is made online. You must validate your visa within 3 months following your arrival in France at the very latest.

To do so, visit the following website:
https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/

Here is what you will need for the validation of the VLS-TS “student” visa:
- A valid email address,
- Information on your visa,
- Your date of arrival in France,
- Your home address in France,
- A bank card to pay the fees to issue the residence permit online.*

*If you do not have a bank card, you can buy a virtual stamp (timbre électronique) at a kiosk or on a dedicated terminal and pay in cash.

The detailed procedure can be found on the following link:
For the first 3 months after you arrive in France, you may travel freely in the whole world, even without having validated your VLS-TS visa.

After these 3 months, and if you have not validated your VLS-TS visa and you travel abroad, you will need to apply for a new visa to return to France.

> Renewal of the residence permit:

At least 2 months in advance.
See with Irina MOVCHAN (irina.movtchan@enise.fr) to complete the form “Residence permit request” (on the second year of your stay).

They were at ENISE before you

“This year spent in France, especially at ENISE was nice for me. It was difficult but very cheerful and interesting. Fear not, be curious and you’ll like it. Good luck!”

“At first we want to quickly return to our country, but in the end we’d rather carry on with the adventure. The ENISE is the ideal setting to learn French, improve your technical knowledge and make unforgettable encounters. Have a nice time in Saint-Etienne.”
